

KLOVE is wonderful. As the resident of a small community, KLOVE keeps us in touch with the rest of the country. Our family and community would lose out if KLOVE was displaced by an LPFM broadcaster providing other programming. KLOVE is such an encouraging station that keeps us focused on what truly matters. Their format is so family-friendly that we don't have to worry about what our children will hear over the airwaves. KLOVE is a rarity in this day and age and our community and country need it!
